

Victorious Ministry Through Christ Invitation To A School Of Prayer Ministry

A training school for ministers and lay people called to the care of people who need healing of brokenness, and freedom from bondages caused by crippling relationships or circumstances of the past. During the three days of the school we learn how to claim more effectively Jesus' power over sin and Satan through loving, listening and believing prayer.

Persons in need of VMTC Prayer Ministry are victims of:

- (1) the sins of others, past or present, (2) their own sins, as revealed by the Holy Spirit, (3) the very real attacks of Satan, especially through present or past occult involvements.

The Holy Spirit releases His supernatural gifts of wisdom, knowledge, discerning of spirits, faith, healing, etc. through trained VMTC Prayer Ministers who are "two in agreement" on behalf of the one receiving ministry. The VMTC Pray Minister Trainee is taught through scripture and practice how to be an effective instrument in the Lord's victorious ministry to the broken and sin-sick world about us.

Lay persons may attend schools with the permission of their pastor.

Spouses are encouraged to attend.
